Ornamental Trees

The size immediately following the description indicates approximate height at maturity.

LARGE B & B SHADE TREES

We are specialists in balling and handling large shade trees up to 8" caliper. We recently moved over 150 truck loads of this material in full leaf to the Great Lakes Exposition grounds in Cleveland with the loss of only 3 trees. We would be pleased to quote prices for your requirements on request.

During these lean years one has been apt to neglect many important duties. Root-pruning of Evergreens is most necessary yet not immediately apparent if neglected.

Cole has a regular schedule for Root-pruning — In fact, the majority of our Evergreens are Root-pruned at least every two years.

ROSES

We add a number of thoroughly tested roses to our collection each year and at the same time eliminate a few of the least worth-while.

We endeavor to always have a very high class collection to meet all needs. (See Pages 61-65.)

NORTHERN GROWN ROSES

Our trade recognizes the uniform quality, hardiness, and "trueness to name" of Cole's Painesville Grown roses. We have guarded this reputation zealously and have gone to no end of labor to see that we had an ample crop for our regular customers in the face, many times, of adverse economic, trade, and weather conditions. Again this year we have a good holding of these quality plants for our trade unmixed with Southern grown stock.

We hope you will bear in mind the conditions herein mentioned when selecting your source of supply.

NEW KOREAN CHRYSANTHEMUMS

Without question the greatest new creation in the perennial world. Korean Chrysanthemums are perfectly hardy—a requisite for satisfaction lacking in the old types; they are easier to grow and are more profuse in blooming. The lovely pastel shades defy description. Wonderful for table decoration and compelling for color effect in the garden.

PHLOX—Columbia.

Plant Patent No. 118

The loveliest pink phlox in existence. A well-grown 2-year plant will produce from 6 to 15 flower spikes. Mrs. Francis King describes the flower as a "sofe cameo-pink with very light blue eye; similar to Elizabeth Campbell, but a much stronger grower.

The foliage is a clear, beautiful dark green to the ground.

Prices, 3 for 75c; 12 for \$2.25; \$12.00 per 100

Retails at 50c each; 3 for \$1.25; \$4.00 per 12; \$30.00 per 100

TRUEHEDGE GUARANTEE

Cole guarantees that Truehedge Columnberry plants sold by Cole at prices listed herein will create a formal hedge of height desired **at less cost and more quickly** than with plants of Japanese Barberry twice as large under same conditions (*See note below).

To cover this guarantee we will supply sufficient plants (Absolutely Free) for a hedge of the same length, your selection from Japanese Barberry or 3 kinds of Privet.

THE COLE NURSERY COMPANY

PAINESVILLE, OHIO

Note:—A fair comparison using transplanted stock would be—

Truehedge 9 to 12" size with Japanese Barberry 18 to 24"

Truehedge 12 to 15" size with Japanese Barberry 24 to 30"

Labor to be figured at ordinary rates.
